Wine making

Manual harvest with successive sorting in the vineyard and on arrival in our cellars. Fermentation at controlled temperature, light extraction by cap punching during 4-week vating. Malolactic fermentation, 40% aged in oak barrels and concrete tanks for 18 months. Light filtration and bottling in our cellars in Spring 2021.

Tasting Notes

This wine of “Terroir” reveals deep character with spicy aromas of green pepper, bergamot and wild blackberries sustained by floral notes and a touch of wood.

This cuvee is medium bodied with spicy and silky tannins.
